Es tan pequeñito que puede colarse por el desagüe para recuperar el anillo perdido de su madre o mover las teclas desde dentro del piano mientras su hermano George toca una canción. Cuando su mejor amiga, una pajarita llamada Margalo, desaparece del nido, Stuart abandona por primera vez su hogar para buscarla. En su aventura, se encontrará con nuevos y antiguos amigos, además de algún que otro peligro. Los lectores dicen: «Mis padres me leyeron este libro cuando estaba en preescolar y me quede fascinada con las aventuras de Stuart, que me resultaron aun mas interesantes cuando cuando lei el libro por mi misma(...)». Reseña de Sarah publicada en Common Sense Media «Excelente. Como tienen que ser los libros infantiles. Hay mucho que aprender de este heroe atípico. Pura magia, pura diversión y puras aventuras. Hay una escena en la que Stuart da clase a un aula llena de alumnos; es un toque genial, oro puro. El final es impredecible y me gusto mucho. Futbolera is the first monograph on women's sports in Latin America. Because sports evoke such passion, they are fertile ground for understanding the formation of social classes, national and racial identities, sexuality, and gender roles. Futbolera tells the stories of women athletes and fans as they navigated the pressures and possibilities within organized sports. Futbolera charts the rise of physical education programs for girls, often driven by ideas of eugenics and proper motherhood, that laid the groundwork for women's sports clubs, which began to thrive beyond the confines of school systems. Futbolera examines how women challenged both their exclusion from national pastimes and their lack of access to leisure, bodily integrity, and public space. This vibrant history also examines women's sports through comparative case studies of Argentina, Brazil, Chile, Costa Rica, Mexico, and others. Special attention is given to women's sports during military dictatorships of

the 1970s and 80s as well as the feminist and democratic movements that followed. The book culminates by exploring recent shifts in mindset towards women's football and dynamic social movements of players across Latin America. A study of Filipino intellectuals that reevaluates the political uses of colonial Orientalism and anthropology 'A dazzling and virtuosic adventure' Joseph O'Connor, author of *Star of the Sea* Internationally Bestselling Winner of the Man Asian Literary Prize 2008 'With *Ilustrado*, Miguel Syjuco obliges us to remake the canons of our great classics of contemporary literature. *Ilustrado* is, literally, a masterpiece' Alberto Manguel It begins with a body. One anonymous winter day, the corpse of Crispin Salvador is pulled from the Hudson River. Gone is the controversial giant of Asian literature. And missing is the only manuscript of his final book, an exposé of the corrupt roots of the ruling Filipino families, meant to restore his once dazzling reputation. His student, Miguel, is suspicious of the suicide verdict. He investigates: first sifting through the dead man's work for clues, then journeying from New York to Manila, seeking out family, colleagues, and anyone who might hold pieces of the puzzle. But when Miguel assembles the fragments of his mentor's past, this ambitious and rewarding novel expands into far wider contexts – political, social, historical, literary. As patterns emerge, the mystery of a death deepens into the greater mysteries of life – and the reader makes increasingly significant discoveries of their own, until the startling revelation of the final page. 'A big, bold, cunning, impassioned, plangent and very funny book' Scotsman 'Bristling with comic verve, metafictional playfulness, and an undertone of expatriate nostalgia . . . an impressive, vibrant mix of Borgesian literary labyrinth and acerbic émigré comedy' Sunday Times 'A seethingly ambitious debut . . . US critics have cited Bolaño as an obvious comparison; others may think of *Midnight's Children*-era Rushdie' Independent

These scenes, she argues, establish authorship as a form of radical self-care--a term we owe to Audre Lorde, who defines self-care as self-preservation and "an act of political warfare." Garnering international prizes and acclaim before its publication, *Ilustrado* has been called "brilliantly conceived and stylishly executed . . . It is also ceaselessly entertaining, frequently raunchy, and effervescent with humor" (2008 Man Asian Literary Prize panel of judges). It begins with a body. Gone, too, is the only manuscript of his final book, a work meant to rescue him from obscurity by exposing the crimes of the Filipino ruling families. Miguel, his student and only remaining friend, sets out for Manila to investigate. To understand the death, Miguel scours the life, piecing together Salvador's story through his poetry, interviews, novels, polemics, and memoirs. The result is a rich and dramatic family saga of

four generations, tracing 150 years of Philippine history forged under the Spanish, the Americans, and the Filipinos themselves. Finally, we are surprised to learn that this story belongs to young Miguel as much as to his lost mentor, and we are treated to an unhindered view of a society caught between reckless decay and hopeful progress. Exuberant and wise, wildly funny and deeply moving, Ilustrado explores the hidden truths that haunt every family. It is a daring and inventive debut by a new writer of astonishing talent. Este texto, del cual hay diversas versiones, es una recopilación de 81 pasajes escritos por el sabio Lao-Tzu/Laozi, aunque algunos historiadores dudan de su autoría. El título se podría traducir por "el Canon del Sendero y la Virtud" o,

sencillamente, como "el Libro del Camino". El taoísmo es un antiguo sistema de filosofía y ética muy importante en Asia oriental, pero cuya influencia se extiende por todo el mundo y es evidente, aún hoy, en el arte, la literatura y la filosofía. Este sistema sirve para vivir en armonía con los ciclos de cambio y para tomar conciencia de nuestro lugar en la red de la vida. Las enseñanzas de los capítulos o secciones en que se divide el libro se ejemplifican en esta novela gráfica con situaciones cotidianas a las que se podrían aplicar, de forma que el lector puede ver representados los aprendizajes de Lao Tzu en una realidad que le es conocida. "El Camino que puede describirse con claridad no es el Camino Inmutable. El nombre que puede pronunciarse en voz alta no es el Nombre Inmutable. Con la boca cerrada, dejando las cosas sin definir, te encuentras al principio del universo. Establece definiciones, y entonces eres la medida de toda creación".
