Street Players Jul 24 2022 The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House. From the late 1960s until it closed in 2008, Holloway House specialized in cheap paperbacks with page-turning narratives featuring black protagonists in crime stories, conspiracy thrillers, prison novels, and Westerns. From Iceberg Slim's Pimp to Donald Goines's Never Die Alone, the thread that tied all of these books together—and made them distinct from the majority of American pulp—was an unflinching veneration of black masculinity. Zeroing in on Holloway House, *Street Players* explores how this world of black pulp fiction was produced, received, and recreated over time and across different communities of readers. Kinohi Nishikawa contends that black pulp fiction was built on white readers' fears of the feminization of society—and the appeal of black masculinity as a way to counter it. In essence, it was the original form of blaxploitation: a strategy of mass-marketing race to suit the reactionary fantasies of a white audience. But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature, from 1973 onward, Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers. The standard account of this literary phenomenon is based almost entirely on where this literature ended up: in the hands of black, male, working-class readers. When it closed, Holloway House was synonymous with genre fiction written by black authors for black readers—a field of cultural production that Nishikawa terms the black literary underground. But as *Street Players* demonstrates, this cultural authenticity had to be created, promoted, and in some cases made up, and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored.

Midaq Alley May 29 2020 Widely acclaimed as Naguib Mahfouz's best novel, *Midaq Alley* brings to life one of the hustling, teeming back alleys of Cairo in the 1940s. From Zaita the cripple-maker to Kirsha the hedonistic cafe owner, from Abbas the barber who mistakes greed for love to Hamida who sells her soul to escape the alley, from waiters and widows to politicians, pimps, and poets, the inhabitants of *Midaq Alley* vividly evoke Egypt's largest city as it teeters on the brink of change. Never has Nobel Prize-winner Mahfouz's talent for rich and luxurious storytelling been more evident than here, in his portrait of one small street as a microcosm of the world on the threshold of modernity.

Street Poison Jun 22 2022 An Amazon Top 100 Book of the Year *Street Poison* is the first and definitive autobiography of Robert Beck, a.k.a. Iceberg Slim, at once one of America's most infamous pimps and history's best-selling African American writers. Slim became infamous for his ruthless pimping in the '40s and '50s; following a stint in solitary confinement, he would reinvent himself as

a famous and influential author, writing his multi-million copy autobiography, *Pimp*, along with popular novels such as *Trick Baby* and *Mama Black Widow*. Iceberg Slim can be found at the foundation of modern black—and American—culture; his life and works have inspired the “blaxploitation” subgenre, rap and the gangsta rap subgenre, and icons like Ice-T, Ice Cube, Snoop Dogg, Dave Chappelle, and Jay-Z. Literature professor Justin Gifford’s decade of research into the life of Robert Beck culminates in a colorful and compassionate biography of one of the twentieth century’s most influential writers and captivating characters. Through interviews with Beck’s family and research into archival material such as prison records and FBI files, Gifford explores the sexual abuse and racial violence that transform a young Robert Beck into Iceberg Slim, his cold-blooded history as a pimp, his transformative writing, and the subsequent exploitation by publishers that left Beck penniless. Now featuring a foreword from Michael Eric Dyson, Slim’s story is not for the faint of heart but Gifford tells it without flinching. And in doing so, he creates an honest and engaging profile of one of American literature’s most unique—and largely overlooked—figures.

Trick Baby Nov 15 2021 The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of *Pimp*, brings us the story of a hustler who doesn’t just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. *Trick Baby* tells the story of “White Folks,” a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a “Trick Baby,” the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It’s Slim’s story and he tells it in the only way he knows how, in the language of the streets.

Etymological Dictionary of Proto-Celtic Dec 05 2020 This is the first etymological dictionary of Proto-Celtic to be published after a hundred years, synthesizing the work of several generations of Celtic scholars. It contains a reconstructed lexicon of Proto-Celtic with ca. 1500 entries. The principal lemmata are alphabetically arranged words reconstructed for Proto-Celtic. Each lemma contains the reflexes of the Proto-Celtic words in the individual Celtic languages, the Proto-Indo-European (PIE) roots from which they developed, as well as the cognate forms from other Indo-European languages. The focus is on the development of forms from PIE to Proto-Celtic, but histories of individual words are explained in detail, and each lemma is accompanied by an extensive bibliography. The introduction contains an overview of the phonological developments from PIE to Proto-Celtic, and the volume includes an appendix treating the probable loanwords from unknown non-IE substrates in Proto-Celtic.

PIMPOLOGY Jan 18 2022 The pimp has reached nearly mythical status. We are fascinated by the question of how a guy from the ghetto with no startup capital and no credit -- nothing but the words out of his mouth -- comes not only to have a stable of sexy women who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator shoes from Italy. His secret is to follow the "unwritten rules of the game" -- a set of regulations handed down orally from older, wiser macks -- which give him superhuman powers of charm, psychological manipulation, and persuasion. In Pimpology, star of the documentaries Pimps Up, Ho's Down and American Pimp and Annual Players Ball Mack of the Year winner Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall
