Meet with the Nagual Mar 21 2022 The term Nagual has several definitions - one who is good in talking, shape shifter, witch, and animal co-essence. Co-essence is the name of a being, which has its origins in ancient and widely accepted Mesoamerican beliefs that one part of our soul (or figures baring resemblance to humans i.e. gods) uncovers itself as a kind of animal, or a remarkable occurrence such as a loud clap of thunder or a strong gust of wind, of a spiritual nature. This belief is still current today in a lot of parts of Mesoamerica. Shape-shifting can be perceived as a change in the physical form or shape of a person or animal. Sometimes this is referred to as metamorphosis, morphing, transformation, transmutation, Therianthropy, mimic or by other terms.

Mastery of Awareness Sep 26 2022 • Doña Bernadette Vigil, the working partner of don Miguel Ruiz and a fully initiated Nagual woman, reveals the authentic tradition of Toltec self-mastery. • Includes exercises from the ancient spiritual path that take the practitioner from Jaguar Knight and Eagle Knight through Nagual Master. • Provides a program of 11 Agreements for continuing the spiritual journey. The Toltec people of ancient Mexico possessed powerful knowledge, passed down secretly through generations of Naguals, that enabled them to achieve a remarkable psychic and spiritual balance. These spiritual warriors learned to discipline their thoughts and emotions, channeling

their energy into unconditional love for themselves and others and transforming their world in the process. With the understanding of one who has walked the path, dona Bernadette Vigil--a full Nagual, or shaman, in the Toltec tradition--guides readers through the effective training techniques practiced by Toltec warriors for centuries. By following the practices of the spiritual warrior, readers will experience the amazing sense of peace and contentment that comes from finally breaking free from layers of self-limiting thoughts and fulfilling their true potential as human beings. More than a handbook for personal change, *Mastery of Awareness* challenges readers to transform the collective dream of the planet.

Masks of the Spirit Apr 21 2022 Drawing on secondary works in archaeology, art history, folklore, ethnohistory, ethnography, and literature, the authors maintain that the mask is the central metaphor for the Mesoamerican concept of spiritual reality. Covers the long history of the use of the ritual mask by the peoples who created and developed the mythological tradition of Mesoamerica. Chapters: (I) the metaphor of the mask in Pre-Columbian Mesoamerica: the mask as the God, in ritual, and as metaphor; (II) metaphoric reflections of the cosmic order; and (III) the metaphor of the mask after the conquest: syncretism; the Pre-

Columbian survivals; the syncretic compromise; and today's masks.

Encounters with the nagual Jun 23 2022 "Every human being is by right a warrior who has achieved his place in the world in a battle of life and death. Look at it this way, at least once, as sperm, we all fight the bullfight for life - a unique contest against millions of other competitors - and we win! Now the battle continues... "A warrior knows that there is no guarantee of triumph over death. Even so, he fights his battle, not because he believes he will win, but because of the emotion of the war itself. For him, to give his war is already a victory. And while he fights he rejoices, because, for those who have already died, every second of life is a gift." "I love my children because they are deposits of my energy, my wife because she washes my clothes, she cooks and I catch her, my dog because he takes care of the house, my country because I was born here, my god because he's going to save me...". "The sorcerers have discovered the most refined form of love, because they love themselves. They have put the power of passion at the service of being, and it gives them the impetus to undertake the only quest that counts: that of oneself.

The Quest for "personal Freedom" Among the Apprentices of Nagual Miguel Ruiz Dec 18 2021 The researcher studied the experience of "personal freedom" within a North American community of spiritual practitioners gathered around a contemporary nagual from Mexico named Miguel Angel Ruiz. the research objective was to describe and evaluate the structure, meaning and social value of this lived experience, one central to a contemporary New Religious Movement whose

members claim to be following ancient Toltec traditions.

Understanding the Chiapas Rebellion Dec 06 2020 To many observers in the late 1980s and early 1990s, Mexico appeared to be a modern nation-state at last assuming an international role through its participation in NAFTA and the OECD (Organization of Economic Cooperation and Development). Then came the Zapatista revolt on New Year's Day 1994. Wearing ski masks and demanding not power but a new understanding of the indigenous peoples of Mexico, Subcomandante Marcos and his followers launched what may be the first "post" or "counter" modern revolution, one that challenges the very concept of the modern nation-state and its vision of a fully assimilated citizenry. This book offers a new way of understanding the Zapatista

conflict as a counteraction to the forces of modernity and globalization that have rendered indigenous peoples virtually invisible throughout the world. Placing the conflict within a broad sociopolitical and historical context, Nicholas Higgins traces the relations between Maya Indians and the Mexican state from the conquest to the present—which reveals a centuries-long contest over the Maya people's identity and place within Mexico. His incisive analysis of this contest clearly explains how the notions of "modernity" and even of "the state" require the assimilation of indigenous peoples. With this understanding, Higgins argues, the Zapatista uprising becomes neither surprising nor unpredictable, but rather the inevitable outcome of a modernizing program that suppressed the identity and aspirations of the Maya peoples.

Pyramid of Fire: The Lost Aztec Codex Apr 29 2020 The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 • Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle • Presents the only existing English-language transcription of the Aztec codex, with line-by-line commentary • Contains the epic poetry and metaphysical insights of Beat poet Marty Matz (1934–2001 In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca, Mexico. Originally intended for dramatic performance, this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent. At the behest of his Mazatec teacher, Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience. Pyramid of Fire is an epic poem that provides a vehicle to transport the initiate into the higher realms of consciousness. It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest. Revealed are the techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the "serpent of consciousness." Line-by-line

commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times.

Archaeology of Ancient Mexico and Central America May 30 2020 This is the first comprehensive, one-volume encyclopedia in English devoted to pre-Columbian archaeology of the Mesoamerican culture area. Entries range from the familiar and world-renowned archaeological discoveries of Maya and Aztec sites to more recent excavations such as the Sayil archaeological zone in the Yucatan and Teopantecuanitlan in Guerrero. A rich historical and cultural resource on one of the world's six cradles of civilization, this reference is ideal for students, scholars, and prospective travellers.

BeliefWorks Dec 26 2019 Think. Feel. Dream. Believe. "Inside each one of us is a BeliefWorks that takes the raw potential of belief and creates a one-of-a-kind worldview driving everything we do. Our BeliefWorks manufactures the prism through which we see life and magically transforms what is into what we believe it is." The line between "the way it is" and what could be is often no more than a belief. As author Ray Dodd notes, what we believe is a riptide guiding the thoughts we think, the words we say, and the decisions we make. Belief touches every part of life; defining organizations, shaping trends, dividing families, and even igniting terrorism. BeliefWorks, Ray Dodd's follow up to *The Power of Belief* will turn your mind inside out, casting a fresh light on how we love, work, play, and what holds us back from the life we desire. Discover seven secret keys for unlocking the true power of belief and put this extraordinary force to work for you.

The Spiritual Quest Jan 19 2022 This treatise argues that the quest for the spirit is not a rare mystical experience, but a frequent expression of basic human impulses, rooted in our biological, psychological and social nature. It presents the quest in the myths and religious practices of tribal people throughout the world.

The Teachings of Don Juan Feb 05 2021 In 1968 University of California Press published an unusual manuscript by an anthropology student named Carlos Castaneda. The Teachings of Don Juan enthralled

a generation of seekers dissatisfied with the limitations of the Western worldview. Castaneda's now classic book remains controversial for the alternative way of seeing that it presents and the revolution in cognition it demands. Whether read as ethnographic fact or creative fiction, it is the story of a remarkable journey that has left an indelible impression on the life of more than a million readers around the world.

Twilight Language of the Nagual Mar 01 2023 Reveals how the Nagual shamans move between this world and the dream realms • Shows how the Twilight Language of Dreaming is an avenue for understanding the energetic gateways of human existence • Presents detailed exercises for practical experiences in extra-lucid dreaming
Twilight Language of the Nagual is a shamanic and spiritual account that illuminates the author's experiences under the tutelage of don Juan Matus, the Toltec shaman who mentored Carlos Castaneda, and the sorceress doña Celestina. The author journeys from a mountaintop peyote pilgrimage of the Huichol people of western Mexico to the home of Tibetan monks in Mexico City and the hut of a Mazatec mushroom shaman in a remote Oaxacan village. She learns the Twilight Language of Dreaming, an avenue for understanding the energetic gateways of human existence. Don Juan Matus defines the language of this dream power and doña Celestina tutors on sex, reproduction, and male-female affairs in relation to the state of the world. Twilight Language enables communication between beings of the upper and lower realms. The author describes how it is possible for our individual and collective consciousness to be transported to higher levels. At the conclusion of each of her narratives she offers detailed exercises for experiences in extra-lucid dreaming as well as case studies showing how to apply dreaming techniques in the "real" world. Twilight Language of the Nagual is both a serious navigational aid to other realms revealed through dreams and an exploration of the energy techniques of dream power for healing and enlightenment.

Don Juan and the Power of Medicine Dreaming Oct 28 2022 A journey of healing and transformation through Toltec mysticism, shamanic dreaming, and the teachings of the Mayan prophecies. • The author studied with don Juan Matus and the Nagual sorcerers who taught Carlos Castaneda. • Includes numerous transcripts of Toltec Dreamwork sessions, providing examples of how dreamwork can transform personal life challenges. Marilyn Tunneshende learned the secrets of Dream Power, energetic healing, and sorcery from don Juan Matus, the Toltec shaman who mentored Carlos Castaneda. This book is her personal story of over 30 years of interaction with the mystical guides, dreams, and prophecies of the Maya. Through her journey we learn of the power of transmutational energies and how they might be applied to heal and transform our world. Like so many in the early 1970s, Marilyn Tunneshende had plans to travel the world beatnik-style, beginning with Mexico. Traumatized by the sudden death of her fiance after a series of premonitions, Marilyn found her adventurous trip transformed into a path of spiritual awakening, which took her into an intense apprenticeship with Toltec shaman don Juan Matus. After becoming a fully initiated Toltec sorceress and Nagual Dreaming Woman, she experienced a second trauma that threw her from the path of mystical study back into the everyday world of the West. For years she pursued

her career as a teacher and linguist--all but dismissing her former mystical experiences as madness. When a series of dreams begin to pervade her consciousness and she received a heart-breaking diagnosis that she had AIDS, Marilyn returned to the world of Mayan prophecy and nagualist training in order to unleash the powers of transmutative energies in healing her own body and actualizing transcendent liberation. Through the Eye of the Shaman Aug 26 2022 Dr. Robert Ghost Wolf is not a singular formulated thought. God is the truth in all thought. There are those who would challenge your right to live in the freedom of Being. They would try to pull you back into the murk and mire, only to justify their own struggles with owning their self-truth and worth. Daring to have your very own thought makes you different. It makes you in many ways the "Outcast" ... the "Misfit" ... Are you one of God's radical few...? Journey Through the Sol Sep 02 2020 JOURNEY THROUGH THE SOL takes the reader beyond the preliminary works of the Celestine Prophecy and Carlos Castaneda to a vision that opens the mysteries of the cosmos revealing the universal blueprint of creation through the super conscious, where reality truly exists. The story takes shape around a clarion call to action from Eternal Spirit to twelve star systems within the Andromeda and Milky Way Galaxies. Those who answered the call would act as emissaries of light to anchor in a new reality known as the Golden Age of light and love. The mission would entail a great transformation of the star's blueprint enabling it to undergo a planetary evolution that would awaken the planetary dream and its relationship with the Cosmos. The real life adventure begins when Eya journeys to earth and awakens her soul memory through dreams, visions and telepathic guidance surrounding coinciding life events. The awakening culminates into a multi-dimensional soul vision entwined with earth's destiny revealing man's purpose on a universal scale.

Spirit Whirled Jul 01 2020 Finally, the Holy Sailors ventured beyond the Strait of Gibraltar, found the Azores, and then landed on the shores of America. The wonders were vast and the peoples diverse. Had they rediscovered Atlantis? By the time the Spanish arrived, there were bearded tribes, depictions of men in turbans, "Black Indians" engaged in hostilities with the "Natives," and "White Indians" whose language had affinity to that of the ancient Britons. There existed colossal temples and megalithic stones with similar architecture as those found in Egypt, Greece, Italy, and Asia, while the inhabitants of the regions hadn't discovered how to make tools strong enough to work the stone nor had they pulley systems or other beasts of burden to move the megaliths. But the Americans possessed something that was fatal to the authority and claims of the Old World's religious institutions, a threat so great that the Inquisition chose to destroy them at the behest of the Church and the monarchs of Spain. When you're ready, embark on the journey of Terminalia.

Philosophy of WhiteCrows Nov 04 2020 The Philosophy of WhiteCrows: Books of Spirit, is a truly unique collection of New Age, Philosophical Poetry. It is a thought provoking, spiritual journey into one Man's personal Faith and Philosophy. An original and contemporary Ideology which has been derived from the study of many World Religions and modern Scientific Disciplines. It is written in the form of Free Verse Poems, offering a new, fresh, and alternative way of thinking about Spirituality and Existence as well. Each Chapter is an independent "Book" containing related Poems collected together to distinctively convey these innovative and revolutionary beliefs, theories, practices, and tools. The Philosophy of WhiteCrows: Books of Spirit in its entirety is a metaphor for our Universe, with each Chapter a Galaxy, each Poem a Star, each Stanza a Culture, and each Word a singular Being. Just like the Universe, it will continually expand as new ideas are found and integrated into its structure, creating the potential for numerous editions and expansions. There is no doubt that each of us silently yearns to discover profound insight and a deeper purpose; it is ingrained into our very Design. The first step towards this Spiritual Enlightenment is to be able to see beyond yourself, beyond your momentary needs and desires, beyond the world that is consuming you... and into the greater whole of all Existence. This first step inevitably leads to an extraordinary journey of self discovery and evolution. That journey is the foundation upon which this Book is built. The Reader is strongly encouraged to join in

the evolution of this Philosophy by commenting and/or criticizing each theory, concept, and poem. All comments can be sent to the Author at [google.com/+DanielWhitecrow](https://www.google.com/+DanielWhitecrow). This will undoubtedly add to its expansion and simultaneously create a truly personal experience for the Reader. Prepare now to question your perception of Spirituality and begin this new Quest...

The Mystery of Spirit Jan 07 2021 Focusing on techniques of spiritual development and awareness of the presence of spirit in ordinary life, Robbins challenges the reader to move beyond spiritual blockages and obstacles and raise the vibrational frequencies that bring us to greater enlightenment. This reduces negative emotions such as despair, meaninglessness, and unhappiness. Robbins wants to help us increase our pro-social activity thereby contributing to a more open-minded service towards others. In this book he shows how to use effective techniques for practical and spiritual change while following a path of heart.
