Jesus the Jewish Theologian The Mystery of Messiah A Rabbi Looks at Jesus of Nazareth Jesus Rabbi and Lord Identity Theft How Did A Hebrew Like You Become An Enthusiast of Yeshua? Jesus and the Jewish Roots of the Eucharist A History of Judaism and Christianity The Gospel of Matthew According to a Primitive Hebrew Text

Respectful, thoroughly documented answers to twenty-eight of the weightiest theological objections progressively reveal how

belief in Jesus is deeply rooted in Jewish concepts and teaching. Drawn from the inquiries his ministry receives every month, the author answers sixty common questions about Jewish people and culture, reflecting on the perennial Christian fascination with Jewish customs and beliefs, and addressing questions Christians have about their own relationship to the Old Testament Law. Original. 10,000 first printing. This book, pastoral in nature, is to provide the reader with an in-depth analysis of the challenging history of Judaism, Israel, and the Christian church. After offering an introduction to the First Testament (in Hebrew, Tanakh), the author proceeds to portray an image of Early Christianity or the Jesus Movement during the Apostolic Era to the beginning of the fourth century. During the early part of this era, there was a vibrant union between Jewish believers in Jesus (in Hebrew, Yeshua) and Gentile believers in Jesus. However, over these years, anti-Semitism grew within the Christian Church that resulted in a wound of division between the two segments of the Christian faith. This division resulted in anti-Semitic attitudes, discrimination, exiles and pogroms against the Jewish people, the nation of Israel. This led, in part to one of the most tragic events in human history, the Holocaust or the Shoah. The author documents factors, both distal and proximate, of the tragedy. Beginning in the decade after WWII, the creation of the State of Israel in 1948 and, the Catholic Council called Vatican Council II, new hopes for repentance, reconciliation, and healing have begun between the Christian Church, Israel and Messianic Judaism. Sources to the work emerge from the theologies of Judaism, Christianity, and Messianic Judaism. The document is framed sociologically by using ideal types and historical sociological materials. The goal is for the Christian Church to remember, repent of her collective sins against the Jewish people and to journey towards reconciliation among Jews, Messianic Jews, and Christians. "The Torah doesn't speak of Jesus at all!" "You're completely misinterpreting Isaiah!" "This verse has absolutely

nothing to do with your Jesus! It's not even a messianic prophecy!" "As for the real messianic prophecies, Jesus fulfilled none of them." These are some objections raised by Jews regarding Jesus as the Messiah. Using the Hebrew Bible, rabbinic texts, and the New Testament, Dr. Michael Brown provides thorough answers to nearly forty such objections. This third installment of Answering Jewish Objections to Jesus looks specifically at questions raised about messianic prophecies in Isaiah, Daniel, Psalms, Haggai, and Zechariah. It's an invaluable resource for seekers and for anyone wanting to point students of the Torah to Jesus. An honest, fair, and thorough discussion of the issues raised in Jewish Christian apologetics, covering thirty-five objections on general and historical themes. All of the extant authentic sayings and teachings of Yeshua remembered in the earliest oral Jesus traditions and collections compiled by his Jewish disciples A.D. 30-50 before they were rendered into Greek, misunderstood, and Christianized in the later Gospels.

- Translated in terms of the original Hebrew/Aramaic vocabulary and idioms used by Yeshua
- Explained in the context of Second Temple messianic haggadah, Merkabah, prophetic, and wisdom traditions
- Organized and presented as a coherent body of exquisite spiritual teaching that was lost and forgotten in Christianity.

An internationally-known messianic rabbi shares his personal conversion journey while offering Christians the tools they need to share Jesus with their Jewish friends. In 1945, Robert Lisle Lindsey from Norman, Oklahoma, found himself the pastor of a small Baptist congregation in Jerusalem, Israel. With his Hebrew-speaking congregants in mind, he began a translation of the Greek texts of Matthew, Mark, and Luke and soon concluded there must lie behind these Gospels--even if distantly--an early Hebrew story of Jesus. To his surprise, he also found that Luke almost always showed Greek texts which could easily be translated literally to Hebrew. The same was true of Matthew, wherever he was not copying Mark's Gospel. In 1962, Lindsey met

Professor David Flusser of Hebrew University and the two pursued the question of whether we can get back to the earliest semitic story and words of Jesus. "It is clear," say Lindsey and Flusser, "that our synoptic texts originated mainly in one Greek translation of a Hebrew biography of Jesus, probably written by the Matthew of tradition. The materials are too Hebraic to have originated in Greek, as many scholars mistakenly think today. Happily, if we use the right tools we can still hear Jesus speak as his fellow Jews of the first-century heard Him." Lindsey tells here the warm, personal account of how he and Flusser struggled over many years to discover the earliest form of Jesus' words and narratives of His life. They believe that the records, when properly analyzed and studied, show us an authentic picture of Jesus interacting with the people of Jerusalem and Galilee. Jesus clearly heads a movement, the "Kingdom of Heaven, " and is a Divine Figure whose actions and words are fully Messianic. The Jewish teachings of the Torah in the law and prophets contain a treasure of knowledge and understanding revealing the Jewish Messiah Yeshua or Jesus Christ. When viewed through the lens of the Hebrew alphabet clues hidden in plain sight reveal the mystery of Messiah that the eyes of our understanding may be opened. The center of the Bible is the living Messiah. Throughout its pages God, who inspired it, bears witness to the Person who unites all the strands of history, prophecy, poetry, symbolism, stories and even the names of God themselves, to bear witness Messiah and his work of Salvation in the Earth. Finding Messiah in the very Jewish New Testament presents no difficulty, but finding Messiah in the Old Testament holds a greater challenge, but it doesn't have to be a challenge at all! It's important to see that Jesus himself read his Old Testament in this way. When he spoke to the two men on the road to Emmaus, we learn that "beginning with Moses and with all the prophets, He explained to them the things concerning Himself in all the Scriptures" (Luke 24:27). And when he spoke to the Jerusalem

Pharisees he boldly proclaimed, Do not think that I will accuse you before the Father; the one who accuses you is Moses, in whom you have set your hope. 46 For if you believed Moses, you would believe Me, for he wrote about Me. John 5:45-46 But how exactly do we find Jesus in our Old Testament? He is not named there is he? (actually he is), so how can we do it? This book is your answer! Jesus the Jewish Theologian establishes Jesus firmly within the context of first-century Judaism and shows how understanding Jesus' Jewishness is crucial for interpreting the New Testament and for understanding the nature of Christian faith. Insights from Jewish literature, archeology, and tradition help modern readers place Jesus within his original context. Particular attention is given to the Jewish roots of Jesus' teaching concerning the kingdom of God. In this ebook download of *Walking in the Dust of Rabbi Jesus*, Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context. Doing so will provide a richer, deeper understanding of his ministry, compelling us to live differently, to become more Christ-like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him, to live out his commands. Our modern society, with its individualism and materialism, is very different than the tight-knit, family-oriented setting Jesus lived and taught in. What wisdom can we glean from his Eastern, biblical attitude toward life? How can knowing Jesus within this context shed light on his teachings for us today? In *Walking in the Dust of Rabbi Jesus* we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus' day, and consider how hearing Rabbi Jesus with the ears of a first-century disciple can bring new meaning to our faith. And we'll listen to Jewish thinkers through the ages, discovering how ideas that germinated in Jesus' time have borne fruit. Doing so will yield fresh, practical insights for following our Rabbi's teachings from a Jewish point of view. Discover the Jewish Jesus! Teaching the Judaic roots of the

Christian faith, fostering a deeper love for Yeshua, and sharing the Good News of Messiah with both Jew and Gentile. In *Awakening to Messiah*, Rabbi Kirt A. Schneider takes you on a personal journey, revealing how the Lord has appeared and has spoken to him over the past 30 years. You will vicariously experience some of the challenges he has faced as a Jewish believer in Messiah, including being kidnapped by a famous deprogrammer who hoped to destroy his faith in Jesus. More importantly, he shares lessons that the Holy Spirit has taught him, causing you to both consider and confirm your own beliefs. In this true adventure, you will discover how the Old and New Testaments connect like a hand in a glove! DVD includes a dramatized reading of the Lord's Prayer in the original Hebrew by Keith Johnson, and original music video of the Lord's Prayer by Andrew Hodkinson, and an original music video of the Lord's Prayer by Phil Ohst. For centuries the Jewish community in Europe possessed a copy of Matthew in the Hebrew language. The Jews' use of this document during the Middle Ages is imperfectly known. Occasionally excerpts from it appeared in polemical writings against Christianity. In Judaism, there is a concept known as Messiah ben Joseph, and Messiah ben David. This concept is known in Christianity as the 1st and 2nd coming of Jesus. In order to know more about Jesus/Yeshua's first coming, we can study the life of Joseph in the book of Genesis and see not only many prophetic insights about the first coming of Yeshua (Jesus), but also the reasons for why the Jewish people don't accept Him today, the reason for their rejection of Him 2,000 years ago, the role of Judaism, the role of Christianity, the role of Messianic Judaism, and how Yeshua will be received back into Israel by Judaism, and how Judaism and Christianity will be reconciled. Judaism (Jacob) and Christianity (Esau) are brothers with the same Father, and we find hidden in the Hebrew Scriptures the means of reconciliation in a practical manner. There are many parallels between Joseph and Yeshua. Joseph

was sold by his brothers to Gentiles, just as Yeshua was sold by His brothers (Jewish people) to Gentiles. Because of this, Joseph was actually sent out of the land of Canaan (later named Israel), just as Yeshua is currently not allowed in Israel, and His name is taboo. Joseph went and reigned as king amongst the Gentiles, just as Yeshua is reigning right now amongst the Gentiles. Joseph's brothers came and bought provision from Joseph face to face and did not even recognize their own brother. Today, the Jewish people can not recognize that Jesus/Yeshua is the Jewish Messiah. The question is, why? Joseph was given a new name in by the Egyptians in Genesis 41:45 Tzafnat Paneach, which as we will see in this book, means "to hide the sojourner," and was also dressed up as an Egyptian, and not as a Hebrew. Today, Yeshua has been given a new name (Jesus), and is not dressed as the Jewish Messiah according to the Torah of Moses (the first five books of the Bible). Joseph's new name has been accomplished, and Yeshua has officially been hidden. This book was originally founded on Genesis 26 where Isaac is re-digging wells that his father Abraham once had, however, Scripture says these wells are being taken by the people of Gerar, which in Hebrew, comes from the word "ger," which is a Gentile that has come to faith in the God of Israel, such as a Christian who is brought near through Yeshua (Ephesians 2:12-13). The English Bible's do not translate the text properly, and say in Genesis 26:19 that Isaac dug and found a well of "running water," however, the text literally says in Hebrew מַעְיָן מֵעַיִן חַיִּים "well of living water." Yeshua said in John 4 to the woman at the well that He is the Living Water. What we are seeing is the Gentile converts are actually covering up Messiah ben Joseph, Yeshua Himself. In Isaiah 12:3 we read מְצֹקֵי יְשׁוּעָה יִשְׁתְּּוּ וְשָׂבוּ מִיַּד יְהוָה מַעְיָן חַיִּים "And you will draw waters with joy from the fountains of Yeshua." What are the wells that the Jewish people must dig and drink from? How have the Gentiles been covering up the Messiah for thousands of years? How does He become

uncovered and revealed? And How do we reconcile Jacob and Esau? I have found an undeniable code in the Torah, as well as a generational curse that has taken place between Jacob and Esau. This curse began with the times of Abraham, and has been seen in each generation following from Sarah and Hagar, to Isaac and Ishmael, Jacob and Esau, Rachel and Leah, and has continued for thousands of years through the New Testament even until today, as will be shown in the second half of this book. The revelations of this code of reconciliation, and the ability to remove the curse is embedded in the Hebrew Scriptures of the Torah. Through following the steps given in the Torah that I have provided in this book, reconciliation becomes practical. By the end of this book there will be a clear understanding for the reason of the title, "Joseph's Identity C Has the Messiah been robbed? Supernatural visitations. Divine time travel. An age-old cover up. In the middle of it all: One man miraculously transformed by Yeshua. In an instant, David went from being a skeptical Jewish columnist to a desperate seeker of Truth. The catalyst was an angelic visitation—a moment that marked him forever. David's quest spans numerous philosophies and religions, culminating with the Person of Yeshua - Jesus the Messiah. He is plummeted into a vigorous spiritual tug of war. Part of him is intrigued and fascinated by the Messiah, while another is plagued by guilt. How could a Jewish person like himself believe in Yeshua considering all the horrific acts that have been done to his ancestors in His name? Author Ron Cantor, a gifted story-teller and authority on the Jewish Roots of the New Testament, takes you on an unforgettable tour of history as an angel supernaturally escorts David through the halls of time. You will soon discover that though atrocities have been committed in the name of Yeshua, the greatest crime of all may be against the Messiah Himself... a crime of identity theft. Jesus never wrote a book. Most scholars assume that information about Jesus was preserved only orally up until the writing of the Gospels, allowing ample time for the

stories of Jesus to grow and diversify. Alan Millard here argues that written reports about Jesus could have been made during his lifetime and that some among his audiences and followers may very well have kept notes, first-hand documents that the Evangelists could weave into their narratives. A revelatory exploration of the Jewish roots of the Last Supper that seeks to understand exactly what happened at Jesus' final Passover. "Clear, profound and practical—you do not want to miss this book."—Dr. Scott Hahn, author of *The Lamb's Supper and The Fourth Cup*

Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers questions such as: What was the Passover like at the time of Jesus? What were the Jewish hopes for the Messiah? What was Jesus' purpose in instituting the Eucharist during the feast of Passover? And, most important of all, what did Jesus mean when he said, "This is my body... This is my blood"? To answer these questions, Pitre explores ancient Jewish beliefs about the Passover of the Messiah, the miraculous Manna from heaven, and the mysterious Bread of the Presence. As he shows, these three keys—the Passover, the Manna, and the Bread of the Presence—have the power to unlock the original meaning of the Eucharistic words of Jesus. Along the way, Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday. Inspiring and informative, *Jesus and the Jewish Roots of the Eucharist* is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith: the mystery of Jesus' presence in "the breaking of the bread." Around the world, including Israel, there are a growing number of adherents to Messianic Judaism. Messianic Jews form a religious group that believes Yeshua Hamashiach (the Hebrew name for Jesus the Messiah) is the true Messiah as known in Christianity and the New Testament. In Eternity with Yeshua Hamashiach we learn about the journey to

an expanded faith of a dozen real-life Jews who embraced Yeshua, some only in their final days and hours. Already strong in their Jewish faith and practices, the men and women in these stories come to a better understanding of the place of faith in this life and in the hereafter. Some are open about their conjoined faith, while others are secret believers or not yet fully converted. While their stories are different, they have one thing in common: they all have a common heritage. They are Jewish individuals who have placed their faith in the Son of God. The engaging stories in Eternity with Yeshua Hamashiach will help those who want to understand their Jewish friends better and inform Jewish people who are thinking about Yeshua. An honest, fair, and thorough discussion of the issues raised in Jewish Christian apologetics, covering thirty-five objections on general and historical themes. For the first time in print, the gospel of Matthew in KJV English, Greek (Majority Text) and Hebrew (Modern Hebrew) with Transliteration. Including a Rabbinic Source Commentary with almost every verse. This Language Study Bible will take you through the gospel of Matthew and the teachings of Yeshua Jesus in connection with the Rabbi's of his day and beyond. Discover the Jewish background of his teachings through the eyes of Rabbinic sources. This gospel of Matthew will take you back to the time of Yeshua Jesus and his Hebrew based parables. The Anticipated Sequel to Identity Theft Continues the Suspense and Intrigue! Moments after David Lebowitz is finally convinced that Yeshua is the Jewish Messiah, he is thrust into a soul-wrenching family tragedy. In deep anguish, he cries out to Heaven. His prayer is answered in a most unexpected and unusual way. An angel named Ariel transports David back into his celestial classroom where history- shaping events unfold right in front of him. Through supernatural time travel, David comes face-to-face with first-century pioneers such as Apostles James and Paul, along with early disciples of Yeshua, like Priscilla and Aquila. Before his eyes, a world-changing and at times, shocking history is

being written. While David cannot change the past, he is able to unlearn horrific myths about Yeshua and the Jewish people only to return to earth for the test of his life! Experience history like never before and catch a glimpse of life for the first congregation of Jesus-followers in Jerusalem. You will also discover how the diabolical snares of anti-semitism and replacement theology sought to sabotage Gods work in their midst. See Gods unfolding plan to bring the Jewish people to salvation and release Yeshuas power in the Earth! Jesus-Yeshua. The most influential Jew who ever lived. The most controversial Jew who ever lived. He has been called a rabbi, a rebel, a reformer, a religious teacher, a reprobate sinner, a revolutionary, a redeemer. Some have claimed he was a magician, others the Messiah. Some say he was a deceiver; others say he was divine. Who is this Jesus-Yeshua, and why are we still talking about him two thousand years later? Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus, a "Kosher Jesus" that Jews can accept. By reclaiming Yeshua as a fellow Jew and rabbi, he has taken a very major and truly wonderful step in the right direction, but by re-creating Jesus, he has also robbed him of his uniqueness. The Real Kosher Jesus takes you on a journey to uncover the truth. It is a journey filled with amazing discoveries and delightful surprises, a journey that is sometimes painful but that ends with joy, a journey through which you will learn the real story of this man named Yeshua: the most famous Jew of all time, the Jewish nation's greatest prophet, the most illustrious rabbi ever, the light of the nations and Israel's hidden Messiah. For the first time Rabbi Tzvi Nassi's book "The Great Mystery or How Can Three Be One?" has been republished, revised and updated since 1863 by The Jewish Institute.com. Also added is Dr.AL Garza's work from "Yeshua in the Ancient Hebrew" and the testimony of former Rabbi Max Wertheimer of Temple Israel in Dayton Ohio. This is truly a one of a kind book revealing the plural nature of God from the sages and ancient Rabbi's plus the Messiah Yeshua in the

ancient Hebrew. PURCHASE ALSO, "Elohim: They Are God" Poly-Monotheism How Three Became God Through Moses and the Prophets," by Ben Shlomo Christianity has attempted to present Messiah in universal terms by stripping Him of His Jewish identity and presenting Him to the world as a universal, one-size-fits-all Savior. In doing so, they have removed Him from the inheritance of Abraham and robbed Him of His core identity. Jewish people have experienced thousands of years of persecution. They have been taught to believe that they are traitors to their people if they accept Yeshua as Messiah. They have looked for a King, a political leader who would free them from their oppressors and provide peace and prosperity. So they also have robbed Him of His core identity. Bible critics and scholars are talking about the differences between the Messiah of Christianity and the historical person Yeshua, referred to as Jesus Christ. But who is Yeshua? Yeshua was a Torah-observant Jew who practiced the faith of Biblical Judaism throughout His lifetime. He looked like a Jew, acted like a Jew, and worshipped like a Jew. Failure to understand these facts has robbed Jew and Christians alike of spiritual understanding of who Yeshua really was. As you read this book, you'll be amazed at just how Jewish Yeshua really was! This is not just another book about a messiah, but a thought provoking, fun to read journey into the world and culture of the Bible that will change how you think and affirm the historical basis for faith in Yeshua, the Jewish Messiah. For the first time discover the Jewish Messiah as believing Rabbi's and Hebrew scholars take you through the Jewish sages, the Hebrew bible and the Brit Hadasha (New Testament) to reveal the identity of the divine Messiah Yeshua. Look at the ancient Hebrew aleph-bet and discover Yeshua and his sacrifice on the cross. This simple to read best selling book is published by The Jewish Institute.com. If you are a person who does not simply accept what you've been taught, then this book is for you. If you love to dig into the Holy Scriptures to do research and to find original meanings of words, and if you like

to study history both to understand the Biblical culture and the Christian culture of today, then you will enjoy what you find here. You are invited to be spiritual archeologists to carefully uncover what is missing in our understanding of Yeshua and His Name—things that have gotten lost in translation, in transliteration, and in tradition. What you discover will ignite a fire in your spirit to continue digging to really know Yeshua from the Tribe of Judah and the House of David, the Savior of both Jews and Gentiles, to know the depth of the meaning of His real Name and to know the richness of the Hebrew culture He designed. This "excavation" is for tearing down, restoring, and rebuilding. Life will come out of dead stones, which will shout in praise to YHVH, the Eternal God. Jesus was a Jew who was born, lived, and died within first-century Judaism. His lifestyle was characteristic of the Jews of that day. Since the New Testament is highly Hebraic—background, writers, culture, religion, traditions, concepts, etc.—any full understanding needs this perspective. A traveler goes on a year-long journey with a man known only as "The teacher," and absorbs a new teaching on spiritual truths for every day of the year. The Ancient Jewish Wedding: A Missing Link in Christianity. Yeshua - told His disciples - that He did not know the day or hour of His return (Mat. 24:32-36) - this is not so much to say He does not have all knowledge - but as with any Jewish bridegroom - He must wait for His Father to give the word that the set time has come. Even though this topic is familiar to many, few Christians have considered the elements of the ancient Jewish wedding and the several biblical feasts from a prophetic viewpoint. The language used by Jesus (Yeshua, the bridegroom) and Hebrew writers of the New Testament in regards to the bride (the Church) will be better understood using a historical understanding of the Jewish roots of the Christian faith. A revelatory exploration of the Jewish roots of the Last Supper that seeks to understand exactly what happened at Jesus' final Passover. "Clear, profound and practical—you do not want to miss this book."—Dr. Scott Hahn,

author of *The Lamb's Supper and The Fourth Cup* Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers questions such as: What was the Passover like at the time of Jesus? What were the Jewish hopes for the Messiah? What was Jesus' purpose in instituting the Eucharist during the feast of Passover? And, most important of all, what did Jesus mean when he said, "This is my body... This is my blood"? To answer these questions, Pitre explores ancient Jewish beliefs about the Passover of the Messiah, the miraculous Manna from heaven, and the mysterious Bread of the Presence. As he shows, these three keys—the Passover, the Manna, and the Bread of the Presence—have the power to unlock the original meaning of the Eucharistic words of Jesus. Along the way, Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday. Inspiring and informative, *Jesus and the Jewish Roots of the Eucharist* is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith: the mystery of Jesus' presence in "the breaking of the bread." This is a novel based on very real events. Dan was a lucky surgeon. Like many doctors, he had mammon, companions, walked about with distinction, and led a cozy life. Everything he had ever carnally desired belonged to him. And yet, his world was about to get shaken up. Why? Well, his old friend Zola (a Hebrew who fell in love with the Israeli named Jesus) decided to share his faith with Dan the goy. Zola, as a result of his belief in the Jewish Messiah, ended up having an unpredictable income, did not enjoy knowing that employers ignored his resume, but did revel in the fact that he labored for his Lord. Zola got a hold of the biggest gift in the universe a man could get a hold of: peace with God, and that did not stop Zola from wanting to share that peace with Dan. In epistles to Dan, Zola spoke of how the Creator was not dead, how he was able to have conversations with him. At first,

Dan was disgusted with Zola's enthusiasm. Dan could not believe that Zola was a changed man. Here is the tale of belief in the Prince of Peace versus doubt, and of one friend's determination to help an old buddy discover how to get a hold of eternal life.
