The Princess and the Packet of Frozen Peas

Feb 11 2022 In this modern take on the Princess and the Pea, Prince Henrik decides that sometimes real princesses can be too sensitive! Prince Henrik wants to marry an outdoorsy kind of girl, so instead of a single pea tucked into a pile of bedding, Henrik tests prospective brides with an entire packet of frozen peas shoved under a flimsy camping mattress. Henrik despairs as princess after princess complains, until one day the just-right girl shows up unexpectedly in the form of his old friend, Pippa. Pippa is all too happy to join Henrik in pitching a tent or playing a hard game of hockey, after which she finds the perfect use for that packet of frozen peas! In this remix of the fairy tale, Tony Wilson and Sue deGennaro deliver a freshly humorous take on

one prince's search for the girl of his dreams.

A Beard Cut Short Dec 09 2021 John

Rubadeau's long, white beard; homeless-guy wardrobe; and penchant for dirty jokes belied his lofty status as one of the most popular professors ever at the University of Michigan. He taught writing in Ann Arbor for more than 30 years. The cover of his course pack read: "Grammar: the difference between knowing your shit and knowing you're shit." "In A Beard Cut Short: The life and lessons of a legendary professor clipped by a slip of #MeToo," a former student tells the crazy, touching, inspiring, and often funny life story of an eccentric, influential professor. John caught dogs in Wisconsin, sold insurance in Indiana, raised pigs in Tennessee, counseled soldiers in Germany, and had his apartment bugged by the Romanian secret police. He lost a young wife and two baby boys. He was born poor and stayed that way most of his life. But, on his own terms, he met with extraordinary success. "A Beard Cut Short" also shares John's key lessons on writing, teaching, and life - lessons that have inspired generations of students to watch out for comma splices and follow their dreams. The story is capped by an investigation of an unjust firing that's a case study in how the misappropriation of #MeToo, a vital social movement, can hurt both the unfairly accused and the movement itself. John Rubadeau's (in)famous Grammar Review is included as a special bonus. Reviews: Rubadeau was an outspoken man of a previous era who taught so long the culture changed around him. As a result, the book is a captivating document on

how the language of teaching (and language itself) has changed over the decades, and the ways in which a certain type of larger-than-life educator, once common, has mostly ceased to exist. — Kirkus Former Camera science writer and Colorado Book Award winner (“From Jars to the Stars”) Todd Neff examines the life of his mentor, former University of Michigan Professor John Rubadeau, before plunging in to investigate the unjust #MeToo claims that led to his firing in “A Beard Cut Short: The Life and Lessons of a Legendary Professor Clipped by a Slip of #MeToo.” Rubadeau was an old-school writing teacher who fearlessly created room for students to discuss and debate human differences in the classroom, refusing to coddle or protect them, an effort doomed to fail. “I am here to teach you about the intricacies and nuances of the English language not to coddle you or to support your conviction that you are the next Shakespeare,” Rubadeau informed his students. “If you will be devastated because you receive less than an A in this course, drop this class the first day.” Using his investigative skills to obtain confidential documents, Neff concludes that his mentor’s firing “came about through a poisonous brew of stubbornness, incompetence, misplaced zealotry, hypersensitivity, blinkered perspective, bad faith, personal friction, professional jealousy, and shoddy investigative work — all of which led to over-reaction and injustice.” — The Boulder Daily Camera

Holes Dec 17 2019 Stanley Yelnat's family has a history of bad luck going back generations, so he is not too surprised when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre. Nor is he very surprised when he is told that his daily labour at the camp is to dig a hole, five foot wide by five foot deep, and report anything that he finds in that hole. The warden claims that it is character building, but this is a lie and Stanley must dig up the truth. In this wonderfully inventive, compelling novel that is both serious and funny, Louis Sachar has created a masterpiece that will leave all readers amazed and delighted by the author's narrative flair and brilliantly handled plot.
