My Companion Sep 09 2021 This e-book was created to help English Language students gain confidence in breezing through English speaking exams. The topic cards are based on 11 common

topics encountered in IGCSE English as a Second Language speaking exams. This mini-book may also be used as a guide for school or for those pursuing English Language courses worldwide. Author Preface (within e-book) Dear friend Thank you for buying 'My Companion' speaking guide for IGCSE exams. You've made a wise decision! Many students attempting speaking exams usually get tongue-tied and are in a state of delirium! Many have 'butterflies in their tummies'! So this was written to help alleviate such ills. Remember the speaking cards are not to be considered as a written script! Use them as a companion guide and try to create a smooth flow of the language talking about your own picture stories from any album in your own minds... Generally speaking, a multiple reading of all the cards will ensure better practice of sentence structures and expressions that aim in building a natural flair for the language. Learn to blend your thought sequences into word components on your lips. You don't have to impress the invigilator or examiner! A proper and engaging context is what is expected of students to portray during the 'conversation'. There aren't any right or wrong answers either! A little digression from the topic may be allowed but remember to put yourself back on track every time that happens. 'Comprehension' of the topic card at hand plays a key factor in conveying fair acceptable answers. The best part is seeing yourself breeze through the speaking exams. It's all about using the charm of positive thinking! You CAN do this! And with that said...let me personally wish you, BEST OF LUCK and God bless... Have pleasant days ahead... Kind regards Ms. Kesh Genga English Language Instructor/ Writer
