Self Help. A heartfelt chronicle of the lives of contemporary women in conflict with well-meaning but unsympathetic men. The application of causal inference methods is growing exponentially in fields that deal with observational data. Written by pioneers in the field, this practical book presents an authoritative yet accessible

overview of the methods and applications of causal inference. With a wide range of detailed, worked examples using real epidemiologic data as well as software for replicating the analyses, the text provides a thorough introduction to the basics of the theory for non-time-varying treatments and the generalization to complex longitudinal data. After the war is over, a radioactive cloud begins to sweep southwards on the winds, gradually poisoning everything in its path. An American submarine captain is among the survivors left sheltering in Australia, preparing with the locals for the inevitable. Despite his memories of his wife, he becomes close to a young woman struggling to accept the harsh realities of their situation. Then a faint Morse code signal is picked up, transmitting from the United States and the submarine must set sail through the bleak ocean to search for signs of life. On the Beach is Nevil Shute's most powerful novel. Both gripping and intensely moving, its impact is unforgettable. Donaldson explores the conflicts between marsh-dwellers and corporate Britain, between private ownership and conservation. This new study explores issues of legitimacy and subsidiarity in the debate about the future

of Europe. It looks at the assumptions behind the Constitutional Convention and its working methods, as well as its implications for reform processes in the European Union. It also analyzes the concept of subsidiarity, both from the perspective of the division of powers, and as a factor legitimizing the political structures of Europe. The book also provides an analytical analysis of how the Constitutional Convention ties in the broader constitutionalization process of the European Union. An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the creators of the award-winning Last Podcast on the Left Contributed articles.
