The year is 2281 - two hundred years after the old world was eradicated by nuclear fire - and now the New California Republic has become powerful along the western coast of what used to be the United State of America. They've expanded east into Nevada, but across the Colorado river to the east a united army of tribals - Caesar's Legion - have been organized under the guise of ancient Rome. You are Courier six, an employee of the Mojave Express who has been entrusted with delivering a mysterious Platinum Chip. The delivery goes horribly awry, however, and after you are robbed and nearly killed for the package you were carrying, you must set out in pursuit of your attackers. Along the way you'll have to navigate the political struggles between factions both large and small, making friends and enemies between the various groups as your actions in the Mojave influence your reputation. Ultimately, a new overlord of the Mojave will be crowned... but will you place that crown upon the brow of Caesar, the New California Republic, the mysterious ruler of New Vegas... or yourself?
