Her brave attempts to find work are futile, and when she is turned away from the workhouse and other such establishments for women in her "condition," Lily is forced to swallow her last iota of respectability and work in a brothel in Leadenhall Square. Unexpectedly, things begin to look up. Lily sees potential where others can only see destitution and ruin, and she soon forges strong relationships with the other women there. They are all good-hearted women who have fallen on hard times, and together, Lily and her "fallen angels" outwit the low-life brothel-keeper and work to turn the house in Leadenhall Square into something altogether more respectable. And before any of them know it, doors swing open, lost loves are recovered, and the happy endings none of them dared to dream of begin to materialize. Praise be to the God and Father of our Lord Jesus Christ, the Father of mercies and the God of all comfort; Who gives us comfort in all our troubles, so that we may be able to give comfort to others who are in trouble, through the comfort with which we ourselves are comforted by God. This is where everyone knows everyone and neighbors take care of neighbors. This is where the WilliamsA[a-a] crossed paths with Jack and Rosie Totty. Their life-changing story happened one crisp spring morning that year. Jack took his 6 year-old grand-daughter, Jessica, out for a walk around the farm before heading to church but little did they know what a life changing walk it would be. Jack experienced a freak accident that to this day he still cannot explain. His loyal little dog, Genno, would become a hero and Jack would begin the fight of his life. With a tormenting secret from her past haunting her every step, the once sweet and innocent Kareemah El-Amin's delicate mind snaps, sending her on a darkened path that will transform her into her deadly alter ego, Angel. Guile, cunning, and ruthlessness are her tools, while death, destruction and deception are her trade. Her quest to conquer the shady underworld is brought to a cataclysmic halt by a horrendous act against the one person who brought her any semblance of sanity, her baby sister. With revenge on her mind, Angel sets out on a bloodthirsty quest to avenge the one person in life whom she truly loved. The clock is ticking, the police are on her trail, and a shocking betrayal threatens to send her to prison for life. Will Angel avenge her sister's shocking torture and manage to escape the clutches of the determined detective Sean Jones? Will she find out who her betrayers are, before it's too late? Will she get her life together and move on? Or will she suffer the same fate that she has dealt to so many others? The stakes are high, the players are ruthless, and the result of failure is death. I can see salmon jumping on the river. Colorful birds are making their nests while they sing. The sky is clear this morning after a night of heavy rain. My name is Emma and I am a 16 year old orphan with long brown hair that I braid every other day. My eyes are hazel like my moms. My blue maiden dress is the only one I own. I am in charge of four siblings. Our parents died trying to protect us from a dragon attack and were killed instantly by the monsters lethal fire. I was not successful at hunting last night because I could not see anything with the rain. My bow and arrows seemed to be drying faster than I was. I decided to go check a village and hopefully someone was going to feel sorry for me and feed me. While entering the village a group of people was gathering around a sign that was being posted by a royal knight. His expensive uniform gave him away. "Young princess Victoria has been abducted by Amira the dark magic sorcerer. The King is offering one hundred gold coins to anyone who rescues her." We were allowed to play 'only' when we finished our chores. We didn't have a chicken coop, and I was in charge of finding the eggs in the most unusual places. I also had to help my sisters remove the kernels from the cob to grind it and make corn tortillas. My mom asked me to pick some fruit from the forest and I obeyed. I was walking as fast as I could when all of a sudden I saw big walls forming ahead of me. When I reached the walls I saw an old man standing by a double wood door; he opened it and I was able to have a peek at some incredible inhabitants. I am a 14th year old girl named 'Isabel'. I watched him through his bedroom window, sitting at his desk looking at a magazine, the homework all but forgotten. I wanted to watch him before I decided to show myself. All of a

sudden I felt a sharp pain in my neck. I immediately fainted. I don't know how long I was unconscious. When I finally opened my eyes, I found myself in a strange dark cave. When I was about to get up, I heard an unfamiliar voice. "Who are you? Your blood tasted different than a human's, and it's making me dizzy." The stranger was an attractive vampire named 'Kendrick' who thought I was a human girl. The mixing of our blood created a new race of Angel Vampires! "Myka the Goddess Witch: Zeus Secret" When the father of all gods Zeus discovered his beloved daughter Athena was pregnant with Apollo's baby, he ordered all gods and goddesses to keep it a secret because he wanted all mortals to believe Athena was an eternal virgin. The moment I was born Zeus gave me away to a loyal mortal 'witch' named Maia which means 'nursing mother'. My father Apollo had to have a special magic spell done by Maia because he was the god of truth who can't speak a lie. Zeus also asked Maia to cast a spell on my mother so she would not fight him when he gave me away. Maia lived in Mykonos, Greece and decided to name me 'Myka'. She was careful to cast the biggest magic spell on me. I was going to be a mortal girl until the day of my 18th birthday! Praise be to the God and Father of our Lord Jesus Christ, the Father of mercies and the God of all comfort; Who gives us comfort in all our troubles, so that we may be able to give comfort to others who are in trouble, through the comfort with which we ourselves are comforted by God. II Corinthians 1:3-4 Unfortunately the life is not always that easy like bible quotes are telling. True, her pregnancy was unexpected, but Clint Brady didn't have to act so dazed when she announced her impending motherhood. Father-by-Surprise Clint Brady admitted his reaction could have been more enthusiastic, but the thought of baby bottles and nappies was enough to rattle even a rugged rancher like himself. Now that the shock had passed, nothing was going to come between Clint and fatherhood -- not even stubborn Angela!
