classroom. Psychologist John Gottman has spent twenty years studying what makes a marriage last. Now you can use his tested methods to evaluate, strengthen, and maintain your own long-term relationship. This breakthrough book guides you through a series of self-tests designed to help you determine what kind of marriage you have, where your strengths and weaknesses are, and what specific actions you can take to help your marriage. You'll also learn that more sex doesn't necessarily improve a marriage, frequent arguing will not lead to divorce, financial problems do not always spell trouble in a relationship, wives who make sour facial expressions when their husbands talk are likely to be separated within four years and there is a reason husbands withdraw from arguments—and there's a way around it. Dr. Gottman teaches you how to recognize attitudes that doom a marriage—contempt, criticism, defensiveness, and stonewalling—and provides practical exercises, quizzes, tips, and techniques that will help you understand and make the most of your relationship. You can avoid patterns that lead to divorce, and—Why Marriages Succeed or Fail will show you how. Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. It was a river highway long before railways and roads were built. It has brought flood, disease and death to thousands of Londoners. Today it contains over 80 islands, 200 bridges, 20 tunnels, 45 locks, six public ferries and one ford. Yet it still reminds us of its history with an average of one body a week being found in its waters. How much do you know about the River Thames? Can you answer these questions: The Thames was

once a tributary of what European river? What was the world's first underwater tunnel? Is the Thames deeper or shallower than it was 300 years ago? What sea animals live in the Thames River? What is the Thames Barrier? Find out the answers to these questions and more and amaze your family and friends with these fun facts. Ages 8 and up. All measurements in American and metric. Fertility problems are one of the fastest growing areas of medicine, with failure to conceive causing immense pain and suffering for those looking to get pregnant. Due to increased media hype, many women are entering their thirties terrified that they will struggle to get pregnant. For many women, anxiety about fertility and their ticking body clock starts long before they get pregnant. *Is Your Mind Fertility-Friendly?* aims to help busy women become aware of the impact stress and negative emotions can have on the body, including the detrimental effects they can have on your fertility. Fertility expert Jackie Brown provides women with the essential information they need to overcome their stress and create the perfect environment to increase fertility. Although many women do not feel particularly stressed, emotions such as worry, anxiety, fear and anger can still evoke the stress response that can interfere with fertility. This book

will educate and offer self-help techniques to enable women to take back control of their fertility. Inspired by books such as *The Secret* by Rhonda Byrne and *Conquering Infertility* by Dr. Alice Domar, this book is an essential read for those looking to understand fertility.

"I was tired of the violence it takes to become a man." In *Remembrance Day*, Jonathan Savage recounts his memories of growing up under the shadow of wars fought and carried home by his father and grandfather. He struggles against a history long past that punishes generations of a family. While his brother finds refuge in the bottle, Jonathan fights a solitary battle against guilt, blame, and betrayal. He shares his memories with his infant son while sitting quietly by a lake. "We tell stories because the soul depends on them," he says. The story is a journey through scattered memories, of misplaced trust and blossoming love. It is about a childhood home. A ravine and a cemetery. And a war whose echoes reverberate still.

A true entrepreneur always looks to the future, no matter what is bearing down—9/11, Hurricane Katrina, the Great Recession, or the BP oil spill. With wit, hard work, guts, and a few cold beers, Jeff O'Hara and his businesses battled, bounced back, and survived these disasters, and we are the beneficiaries of the lessons learned along the way. But O'Hara's lessons are no dry list of rules on entrepreneurship: This first-time author is a gifted storyteller with an edgy, one-of-a-kind sense of humor who informs and entertains with tales of the tragic, the triumphant, and the places and people only New Orleans can produce. Accounts of O'Hara's life as he earned his place in the hospitality industry deliver colorful, honest insights into just what it takes to become a successful entrepreneur. It's clear he loves what he does and that his successes are a result of his love for his trade, his independent spirit, and, of course, a commitment to overcoming anything that gets in his way. O'Hara's wisdom will inspire entrepreneurs and anyone who appreciates a great story—from New Orleans natives to the rest of us who are fascinated by the life of this great city. If you're not having fun, you're not fully living. The author of *How to Break Up with Your Phone* makes

the case that, far from being frivolous, fun is actually critical to our well-being—and shows us how to have more of it. “This delightful book might just be what we need to start flourishing.”—#1 New York Times bestselling author Adam Grant Journalist and screen/life balance expert Catherine Price argues persuasively that our always-on, tech-addicted lifestyles have led us to obsess over intangible concepts such as happiness while obscuring the fact that real happiness lies in the everyday experience of fun. We often think of fun as indulgent, even immature and selfish. We claim to not have time for it, even as we find hours a day for what Price calls Fake Fun—bingeing on television, doomscrolling the news, or posting photos to social media, all in hopes of filling some of the emptiness we feel inside.. In this follow-up to her hit book, *How to Break Up with Your Phone*, Price makes the case that True Fun—which she defines as the magical confluence of playfulness, connection, and flow—will give us the fulfillment we so desperately seek. If you use True Fun as your compass, you will be happier and healthier. You will be more productive, less resentful, and less stressed. You will have more energy. You will find community and a sense of purpose. You will stop languishing and start flourishing. And best of all? You’ll enjoy the process. Weaving together scientific research with personal experience, Price reveals the surprising mental, physical, and cognitive benefits of fun, and offers a practical, personalized plan for how we can achieve better screen/life balance and attract more True Fun into our daily lives—without feeling overwhelmed. Groundbreaking, eye-opening, and

packed with useful advice, *The Power of Fun* won't just change the way you think about fun. It will bring you back to life. Inside this comprehensive book is "TEXT GAME -The iLast- Creative Couples' Fun Word Chat to Play with Your Girlfriend or Wife On WhatsApp, FB Messenger, Twitter, Etc.," and "THE 3 BLUNT SECRETS: Men's Three Secrets of Confidence, Sex, and Wealth YOU Must Know as a Man or Suffer the Consequences for the Rest of Your Life," and "IGNORE THE GIRL GET THE WOMAN: Men's Dating & Relationship Secret on How to Get Your Ex-Girlfriend Crawling Back in 25 Days Without Begging Like Mr. Nice Guy." Warning: This book is not for women - only for men. This book is for YOU, a man who wants to master how to get his woman back in no time. If you want the bad boys/real men's ex back skill on how to make her yearn for you and for her to reconcile and make the relationship last, then this is 100% for you. Only a few men know what you're about to discover, so count yourself lucky and get ready. Please, don't abuse what you're about to discover - they never fail and some people even think it's mind control, but no, it's just a secret most men don't know about when it comes to getting their ex-girlfriends back, but you will know ALL of them soon. You must promise not to use it to hurt women. Are you dumb? I hope not. Why are you acting so irrational because of her? This book is not to pet you to stop crying or hurting, but to whop your ass so you can wake to reality and smile for the rest of your life in dating and getting your ex back like a real man. This is a bad boy's guide to getting your ex back with foolproof. I'm not here to sugarcoat the secret, but to give you the entire secret box.

This is to say, you'll finally get all you need to get her back in no time. Getting your ex back is a game. If you can't play the game, you can't win the match. If you hate the word "game," you should also hate the word "relationship and sex." Why not you stick to masturbation for the rest of your life? If you're not playing the game, someone else is. She probably is. I understand you want your ex back and at the same time, you are also thinking of moving on to something better. No, a spirit keeps telling you she's still the one. Please, don't let any spirit or instinct deceive you. At the end of this book, you'll get your ex-girlfriend back, but before that, I need to punish you for a mistake you just made. "What is the mistake?" you asked. Calm down, I'll reveal it to you soon and you'll be shocked. I have noticed a lot of men or women try to teach people how to get their exes back and they focus mainly on "No Contact Rule," "Make Them Jealous," and "Work on Yourself." Yes, they are right, but there is something missing which will make all the difference and in this book, you'll finally search no more. This is 100% guaranteed to get your ex back as long as you do as you're told and not cry like a toad. Men are going through a lot in this modern world where women claimed they run the world. For nice guys, yes, but for real men, no. I'll give you the only key and secrets you'll ever need to get your ex-girlfriend back and not just that... Before you scroll up and click the BUY NOW button, it's good to know what is inside this book works - guaranteed! Would you rather learn and master how to get her back now or wait till another man takes her forever away from you? "Never worry about action, but only inaction." -

Winston Churchill Take action right now by scrolling up and getting yourself your personal copy. Drawing on the tools of game design to fix democracy. Anyone who has ever been to a public hearing or community meeting would agree that participatory democracy can be boring. Hours of repetitive presentations, alternately alarmist or complacent, for or against, accompanied by constant heckling, often with no clear outcome or decision. Is this the best democracy can offer? In *Making Democracy Fun*, Josh Lerner offers a novel solution for the sad state of our deliberative democracy: the power of good game design. What if public meetings featured competition and collaboration (such as team challenges), clear rules (presented and modeled in multiple ways), measurable progress (such as scores and levels), and engaging sounds and visuals? These game mechanics would make meetings more effective and more enjoyable—even fun. Lerner reports that institutions as diverse as the United Nations, the U.S. Army, and grassroots community groups are already using games and game-like processes to encourage participation. Drawing on more than a decade of practical experience and extensive research, he explains how games have been integrated into a variety of public programs in North and South America. He offers rich stories of game techniques in action, in children's councils, social service programs, and participatory budgeting and planning. With these real-world examples in mind, Lerner describes five kinds of games and twenty-six game mechanics that are especially relevant for democracy. He finds that when governments and organizations use games and design their programs to

be more like games, public participation becomes more attractive, effective, and transparent. Game design can make democracy fun—and make it work.
