I Love You More Than . . . Sep 25 2022 My child. I am not always with you as much as I'd like. But you are always in my mind and my heart. Some families look different than others. A father who doesn't live full-time with his son tells him all the ways he misses and loves him. *I Love You More Than ...* by Taye

Diggs, illustrated by Shane W. Evans, is perfect for families who are separated, whatever the circumstances. Its message of love underscores the bond between parent and child in ways that little ones will understand.

I'd Like You More If You Were More like Me Nov 27 2022 I'd Like You More If You Were More like Me takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. I'd Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us—so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

I Loved You More Oct 02 2020 Tom Spanbauer's first novel in seven years is a love story triangle akin to *The Marriage Plot* and *Freedom*, only with a gay main character who charms gays and straights alike. *I Loved You More* is a rich, expansive tale of love, sex, and heartbreak, covering twenty-five years in the life of a striving, emotionally wounded writer. In New York, Ben forms a bond of love with his macho friend and foil, Hank. Years later in Portland, a now ill Ben falls for Ruth, who provides the care and devotion he needs, though they cannot find true happiness together. Then Hank reappears and meets Ruth, and real trouble starts. Set against a world of struggling artists, the underground sex scene of New York in the 1980s, the drab, confining Idaho of Ben's youth, and many places in between, *I Loved You More* is the author's most complex and wise novel to date.

I Love You More Than You Know Jul 31 2020 "Utterly delightful" essays from the creator of the HBO's *Bored to Death* reveal intimate details of his life as a famously neurotic New York writer (Brendan Halpin, *Los Angeles Times*). Jonathan Ames has drawn comparisons across the literary spectrum, from David Sedaris to F. Scott Fitzgerald to P.G. Wodehouse, and his books, as well as his abilities as a performer, have made him a favorite on the *Late Show with David Letterman*. Whether he's chasing deranged cockroaches around his apartment, kissing a beautiful actress on the set of an avant-garde film, finding himself stuck perilously on top of a fence in the middle of the night in Memphis, or provoking fights with huge German men, Jonathan Ames has an uncanny knack for getting himself into outlandish situations. In *I Love You More Than You Know*, Ames once again turns his own adventures, neuroses, joys, heartaches, and insights into profound and hilarious tales. Alive with love and tenderness for his son, his parents, his great-aunt—and even strangers in bars—Ames looks beneath the surface of our world to find the beauty in the perverse, the sweetness in loneliness, and the humor in pain in essays that are "both poignant and silly—an irresistible mix" (John Dicker, *Philadelphia Weekly*).

You Are More Than You Think You Are Oct 14 2021 Blast through all the baggage in your life with this guide to everyday enlightenment from New York Times best-selling author Kimberly Snyder. Many of us think that we just aren't enough. Not good enough, not pretty enough, not rich enough, and not happy enough. But just because we think something doesn't mean it's true. **YOU ARE MORE THAN YOU THINK YOU ARE** teaches you how to revise your belief system, fulfill your deepest dreams and desires, and create an epic, successful, and inspiring life. Unlocking your True Self is the key to new levels of joy, beauty, and peace. But what is the True Self, and how can you realize its infinite potential? In this easy-to-read book, Kimberly Snyder answers these questions and shows you how to tap into this unstoppable force to transform every aspect of your life for the better. Drawing inspiration from the teachings of the great guru Paramahansa Yogananda along with personal stories and the latest scientific research, Kimberly offers simple exercises, potent ancient practices, and in-depth meditations to help you overcome negative beliefs and see yourself as you truly are—a goddess, a warrior, a lover, and a creator of your extraordinary destiny.

50 ways to make him love you more Jun 22 2022 This ebook gives you helpful tips on how to make him love you more. Tip number one. Don't attempt to change your man. As tempting as it can be, don't attempt to change your man to suit your ways, especially if he's happy the way he is. If your man feels like you accept him for who he is, he will cherish and love you more. There is a lot of power behind a woman who inspires her man to be the best version of himself without making him feel imperfect. Tip number two. Don't force your man to like the same things as you do. Understand that your man is a separate human being from you, and he had a life before meeting you. If you find that your likes are conflicting with his, don't make him feel guilty for not enjoying the same stuff as you do. Your man will feel more peaceful and will love you more for not pushing him around like a child to do the same things as you do. Translator: Celine Claire PUBLISHER: TEKTIME

I Hate You More May 09 2021 Discover what makes Lucy Gilmore an instant fan favorite with this unforgettably funny enemies-to-lovers romcom starring: a grumpy dog show judge a determined former beauty queen and a Golden Retriever more interested in stealing bacon than winning Best in Show. Ruby Taylor gave up pageant life the day she turned eighteen and figured she'd never look back. But when an old friend begs her to show beloved Golden Retriever Weezy at the upcoming Canine Classic, Ruby doggedly straps on her heels and gets to work. If only she knew exactly what the adorably lazy lump of a dog was getting her into. If there's one thing veterinarian Spencer Wilson knows in this world, it's dogs.

Human beings are a different story. Especially gorgeous women clearly in way over their heads. As judge for the local dog show, Spencer advises Ruby to quit while she still can, but her old fervor for winning has returned—and she wants to show the stern, broody-eyed judge that she's more than just a pretty face. In the end, she'll show him who's best in show. "AS APPEALING AS A PUPPY."—Publishers Weekly STARRED for Puppy Christmas

I Couldn't Love You More Mar 19 2022 Rosaleen is young, beautiful and still a schoolgirl when, in the early Sixties, she meets the famous sculptor Felix Lehmann. Felix is Jewish, bohemian; Rosaleen, the tearaway middle daughter of Irish publicans. So their affair - running away to France to gorge on oysters, boozing and eating cakes in Soho surrounded by Felix's fellow artists, Rosaleen modelling for him in his London studio - has to be kept a secret from her parents. But everything changes when Rosaleen finds herself pregnant. Evicted from her flat and dismissed from her job, she travels to Ireland to a convent that promises to house her until her baby is safely delivered. The reality that meets her there, however, is far from what she has been promised... Kate lives in present day London with her young daughter, her promise and energy as an artist stifled by the unhappiness of her marriage. But something is stirring in Kate; the courage to face a mystery in her past that might just be to do with the visions of a tree that have begun to haunt her work and dreams. Close to breaking point, she heads to Ireland, not yet fully knowing what she hopes to find. Aoife sits at her husband Cashell's bedside as he lies dying, and tells him the story of their lifetime together: of their courtship in wartime London, their three daughters, their return from exile. But there is a crucial part of the story missing, and, with time running out, Aoife needs Cashell to tell her: what became of Rosaleen? Captivating and gorgeously written, *I Couldn't Love Your More* is an unforgettable novel about love, motherhood, secrets and betrayal - and how only the truth can set us free.

Smart and Simple Financial Strategies for Busy People Jun 10 2021 Are you too busy to pay much attention to your money? Do you worry that maybe you haven't been doing the right things? This book is for you, from Jane Bryant Quinn, the most trusted voice in personal finance today. Her classic bestseller, *Making the Most of Your Money*, guided a generation toward smart and sensible financial choices. Here she strips away the extras, choosing the best financial ideas and products available today. They're all you need to create a successful and long-lasting financial plan. It's money management the No Worry way. To start with, she tells you to forget all the complicated stuff the financial industry sells. You don't need it, it costs too much, and some of it is downright bad. It's designed to make the banks, brokers, and insurance companies rich, not you. The best ideas (a super-short list!) are simple, low in cost, and easy to use. They're also sophisticated and smart. The strategies shown here are followed by some of the most successful planners and money managers around today, yet they're something everyone can understand. They'll give you what you need from your money -- regular savings, financial security, long-term investment growth, personal control, and best of all, peace of mind. Once you've set up a No Worry plan, you won't have to pay much attention to it. The choices you'll find here are all good ones. All you have to do is arrange for automatic payments and contributions and then get on with the rest of your busy life. You can focus your energies on your job, family, leisure, and friends, secure in the knowledge that your finances are okay. Here's what you'll do on the No Worry plan: Save more money without feeling pinched Get rid of debt the automatic way Keep yourself safe, with the right amount of insurance at the lowest cost Zero in on the right mortgage, every time Pick the best college savings plan for your kids Understand your finances, in ways you never did before Find the smartest and simplest ways of investing money, to earn superior returns over the long run The investment ideas alone will open your eyes to the newest strategies for accumulating wealth (without making big mistakes!). Jane Bryant Quinn will change the way you think about money. She has the answers busy people need.

Developing Java Enterprise Applications Mar 27 2020 The first hands-on guide to building Java enterprise applications, updated and expanded to cover all of J2EE's exciting new features Java has always been great when it came to creating Web applets, but, until now, it was hardly up to the task of building high-performance applications. Increased XML support, EJB 2.0, and a new APM, Java2 Enterprise Edition (J2EE), offer developers what they need to build powerful enterprise applications. This updated and expanded edition of the popular hands-on guide shows them how. It uses the examples of two large-scale enterprise applications--complete with source code--to show readers how to use J2EE's various APIs together as well as with other technologies, such as CORBA, COM, Servlets, and Agents. The book also features substantially expanded coverage of Enterprise JavaBeans and tells how to get the most out of EJB 2.0 tools and products. Topics of special interest to Java developers include: building a Servlet search engine; creating online stores with Java Server Pages; using transactions with EJBs and JDBC to create N-Tier applications; and selecting the best middleware for your needs.
