Mount Sinai Aug 19 2022 This study of the Egyptian mountain widely believed to be Mount Sinai examines its geographical features, sacred sites, and the effects of rising tourism. Amid the high mountains of Egypt's southern Sinai Peninsula stands Jebel Musa, "Mount Moses," which many Christians and Muslims revere as Mount Sinai. In this fascinating study, Joseph Hobbs draws on geography and archaeology, Biblical and Quranic accounts, and a wide array of personal experiences—from Christian monks to Bedouin shepherds, medieval Europeans, and casual tourists—to explore why this mountain came to be considered a sacred place. He also shows how that very perception now threatens its fragile ecology and inspiring solitude. After discussing the physical and geographic characteristics of Jebel Musa that suggest it as the most probable Mount Sinai, Hobbs fully describes all Christian and Muslim sacred sites around the mountain. He also views Mount Sinai from the perspectives of the Jabaliya Bedouins and the monks of the St. Katherine Monastery, both of whom have inhabited in the region for centuries. Hobbs concludes his account with the international debate over whether to build a cable car on Mount Sinai and with an unflinching description of the negative impact of tourism on the delicate desert environment. His book raises important, troubling questions for everyone concerned about the fate of the earth's wild and sacred places.

Show Them You're Good Jul 26 2020 The bestselling, critically acclaimed, award-winning author of *The Short and Tragic Life of Robert Peace* presents a brilliant and transcendent work that closely follows four Los Angeles high school boys as they apply to college. Four teenage boys are high school seniors at two very different schools within the city of Los Angeles, the second largest school district in the nation with nearly 700,000 students. Author Jeff Hobbs, writing with heart, sensitivity, and insight, stunningly captures the challenges and triumphs of being a young person confronting the future—both their own and the cultures in which they live—in contemporary America. Combining complex social issues with the compelling experience of the individual, Hobbs takes us deep inside these boys' worlds. The foursome includes Carlos, the younger son of undocumented delivery workers, who aims to follow in his older brother's footsteps and attend an Ivy League college; Tio harbors serious ambitions to become an engineer despite a father who doesn't believe in him; Jon, devoted member of the academic decathlon team, struggles to put distance between himself and his mother, who is suffocating him with her own expectations; and Owen, raised in a wealthy family, can't get serious about academics but knows he must. Filled with portraits of secondary characters including friends, peers, parents, teachers, and girlfriends, this masterwork of immersive journalism is both intimate and profound and destined to ignite conversations about class, race, expectations, cultural divides, and even the concept of fate. Hobbs's portrayal of these young men is not only revelatory and relevant, but also moving, eloquent, and indelibly powerful.

Between Duty and Design Sep 27 2020 The architectural work of Joseph John Talbot Hobbs is impossible to overlook in Perth and Western Australia. It dominates public spaces as well as domestic and business landscapes. A strong sense of duty determined that the diminutive fifty year old architect soldier, J.J. Talbot Hobbs would in 1914 voyage to the First World War, where he survived the horrors of Gallipoli and the Western Front. Hobbs' powerful organisational skills positioned him as Australia's highest ranking soldier in Europe after the Great War. Organiser of Australian war memorials in France and Belgium, his stellar designs both there and throughout Western Australia are now largely forgotten. Who was J.J. Talbot Hobbs that he was considered to be of such importance at the time of his death that a memorial was built in one of the most prominent places in Perth? *Studyguide for Fundamentals of World Regional Geography by Hobbs, Joseph J.* Mar 14 2022 Never HIGHLIGHT a Book Again Includes all testable terms, concepts, persons, places, and events. Linking Restoration and Ecological Succession Nov 29 2020 This innovative book integrates practical information from restoration projects around the world with the latest developments in successional theory. It recognizes the critical roles of disturbance ecology, landscape ecology, ecological assembly, invasion biology, ecosystem health, and historical ecology in habitat restoration. It argues that restoration within a successional context will best utilize the lessons from each of these disciplines.

Bedouin Life in the Egyptian Wilderness Jul 06 2021 Between the Nile River and the Red Sea, in the northern half of Egypt's Eastern Desert, live the Bedouins of the Ma'aza tribe. Joseph Hobbs lived with the Khushmaan Ma'aza clan for almost two years, gathering information for a study of traditional Bedouin life and culture. The resulting work, *Bedouin Life in the Egyptian Wilderness*, is the first modern ethnographic portrait of the Ma'aza Bedouins.

Fundamentals of World Regional Geography Feb 13 2022 FUNDAMENTALS OF WORLD REGIONAL GEOGRAPHY is specifically designed for the one-semester or one-quarter course. The text focuses on each region as a whole, emphasizing their roles in the world domain, while still exploring the critical subregional issues that make up each region's unique identity. Following two introductory chapters that provide the basic concepts, tools, and vocabulary for the world regional chapter, the remaining chapters of the text each focus on one of the eight world regions, describing the historical, cultural, economic, political, and physical aspects that create regional unity, give them personality, and make them newsworthy. This big picture approach, perfect for one-semester courses, places each region in a more global perspective, encouraging students to develop their own worldview. Unlike other brief world regional geography texts, however, FUNDAMENTALS OF WORLD REGIONAL GEOGRAPHY does not ignore or downplay subregional issues. The final section of each regional chapter looks at numerous specific issues and landscapes within the region that have broad implications for the rest of the region as a whole and how those issues impact other global regions. The text is fully integrated with World Regional GeographyNow(tm), the first assessment-driven and student-centered online learning solution created specifically for this course. World Regional GeographyNow(tm) uses a series of chapter-specific diagnostic tests to build a personalized learning plan for each student, allowing students to focus their study time on specific areas of weaknesses. Each personalized learning plan directs students to specific chapter sections and concept-driven multimedia tutorials designed to maximize their study time and augment their understanding.

A Chosen Exile Feb 01 2021 Countless African Americans have passed as white, leaving behind families and friends, roots and communities. It was, as Allyson Hobbs writes, a chosen exile. This history of passing explores the possibilities, challenges, and losses that racial indeterminacy presented to men and women living in a country obsessed with racial distinctions.

Under the Red Meadow Mar 22 2020 From the dark woods and the lonely coast, to the quiet dread of an English village, comes four tales of terror and violence. **FALLEN SOLDIER** - Sergeant Joseph Hobbs returns from the Great War to find his family home in disrepair and his mother transformed into a bloodthirsty demon. **SCAVENGERS** - Two couples take a trip into the Devon countryside and encounter the monstrous children of a religious cult. **FATHOMS** - The oceans are giving up their dead - the men, women and children once lost to the abyssal depths over countless years. And they've returned very, very hungry. **DEATHCRAWL** - When the village of Beacon Fell is hit by an epidemic of violence, Jed Kittridge is one of the few people immune to the bloodlust that has turned his friends and neighbours into insane killers. These are the stories from *Under the Red Meadow*.

World Regional Geography Nov 10 2021 Cooperation and conflict, resource abundance and scarcity, poverty and prosperity, floods and droughts--all play roles in transforming the Earth's surface. This insightful text presents world regional geography as a way to comprehend the world's connections and continuous interplay between features of place, populations, resources, cultures, and political systems. Retaining its balanced cultural and physical geographic perspectives on the world's eight regions, the sixth edition includes new illustrations, examples, and cross-references to show students how human activities and natural processes reshape places and landscapes. From current information on the geographies of energy and terrorism to the repercussions of China's booming economy, WORLD REGIONAL GEOGRAPHY, Sixth Edition, presents a meaningful context to help students grasp the geographic issues underlying today's headlines. The result? Students develop their own deeper understanding of how the world works--and what can happen when natural events or human decisions make things go wrong. World Regional Geography Oct 09 2021 "World Regional Geography: The New Global Order provides a geographical study of world issues through analysis of nine world regions and the countries in each. Political, demographic, economic, cultural, and environmental themes are developed in their geographic, spatial, context. The first two chapters of the text consider geographic approaches to studies of the 21st Century world and the geographic principles that underpin world regional geography. The book is organized to emphasize the comparisons among world regions and the interdependent relationships that are increasing through globalization. At the same time, the processes of localization are continuing to focus attention on local regions within countries and the desire of their peoples for a degree of autonomy. The organization of the regional chapters (3-11) and the inclusion of comparable diagrams and maps within each chapter reinforce the comparative aspect. Instructors and students will have access to PowerWeb, a course-specific website developed with the help of instructors teaching the course to provide you and your students with curriculum-based materials, updated weekly assessments, informative and timely world news, refereed web links, and much more.

The Joel Hobbs Family May 04 2021 Joel J. (Joseph) Hobbs (1818-1884) was born in Kentucky. It appears that he was married three times. He was the father of at least eight children. He later settled in Missouri where he is buried. Descendants live in Missouri and other parts of the United States.
