Contributed articles on the life and work of Nani Ardeshir Palkhivala, b. 1920, an eminent Indian lawyer. An incisive and comprehensive view of India's legal process and its key issues India has the second-largest legal profession in the world, but the systemic delays and chronic impediments of its judicial system inspire little confidence in the common person. In India's Legal System, renowned constitutional expert and senior Supreme Court lawyer Fali

S. Nariman explores the possible reasons. While realistically appraising the criminal justice system and the performance of legal practitioners, he elaborates on the different aspects of contemporary practice, such as public interest litigation, judicial review and activism. In lucid, accessible language, Nariman discusses key social issues such as inequality and affirmative action, providing real cases as illustrations of the on-ground situation. This frank and thought-provoking book offers valuable insights into India's judicial system and maps a possible road ahead to make justice available to all. The courts in India are struggling with a huge backlog of cases. As of 2016, there are 27 million pending cases and close to 90 million people are still waiting for justice. To the common man, this is just a number. But some cases have impacted the collective conscious of the entire nation. These include the trial of Afzal Guru, the Nirbhaya case, the criminalization of homosexuality, the Parliament attack case, the Babri Masjid demolition and the 26/11 Mumbai attacks. There was a lot that happened inside the courts during these trials which has remained hidden from public view. The Dramatic Decade is a collection of these stories. The book gives the reader a ringside view of what happened both inside and outside the courts. What were the arguments made, which lawyers fought the cases, what was the court's judgment and how did it affect the common man are some of the many questions answered here. This book presents a comprehensive legal and constitutional study of emergency powers from a comparative common law perspective. It is one of very few comparative studies on three jurisdictions and arguably the first one to explore in

detail various emergency powers, statutory and common law, constitutional and statutory law, martial law and military acting-in-aid of civil authority, wartime and peacetime invocations, and several related and vital themes like judicial review of emergency powers (existence, scope and degree). The three jurisdictions compared here are: the pure implied common law model (employed by the UK), implied constitutional model (employed by the USA) and the explicit constitutional model (employed by India). The book's content has important implications, as these three jurisdictions collectively cover the largest population within the common law world, and also provide maximum representative diversity. The book covers the various positions on external emergencies as opposed to internal emergencies, economic/financial emergencies, and emergent inroads being made into state autonomy by the central or federal governments, through use of powers like Article 356 of the Indian Constitution. By providing a detailed examination of the law and practice of emergency powers, the book shares a wealth of valuable insights. Specific sub-chapters address questions like – what is the true meaning of 'martial law'; who can invoke 'martial law'; when can it be invoked and suspended; what happens when the military is called in to aid civilian authorities; can martial law be deemed to exist or coexist when this happens; what are the limits on state powers when an economic emergency is declared; and, above all, can, and if so, when and how should courts judicially review emergency powers? These and several other questions are asked and answered in this study. Though several checks and constraints have

been devised regarding the scope and extent of 'emergency powers,' these powers are still prone to misuse, as all vast powers are. A study of the legal propositions on this subject, especially from a comparative perspective, is valuable for any body politic that aspires to practice democracy, while also allowing constitutionally controlled aberrations to protect that democracy. Before Memory Fades by Fali S. Nariman is a revelatory, comprehensive and perceptive autobiography – candid, compelling and authoritative. Internationally admired and respected, Fali S. Nariman is a senior advocate of the Supreme Court of India. He began his career at the Bombay High Court in November 1950, and has since been active in the legal profession. Over the years, he has held several prestigious posts at both the national and international levels. He became a Member of Parliament (Rajya Sabha) in November 1999. He is the recipient of the Padma Bhushan (1991) and the Padma Vibhushan (2007). Starting with his formative years, when he had the good fortune to interact with many eminent judges and advocates, Fali S. Nariman moves on to deal with a wide variety of important subjects, such as, the sanctity of the Indian Constitution and attempts to tamper with it. crucial cases that have made a decisive impact on the nation, especially on the interpretation of the law, the relationship between the political class and the judiciary, the cancer of corruption and how to combat this menace, the author outlines measures to restore the now-low credibility of the legal profession, he also delineates his role in several high-profile cases. In recognition of his track record, the Government of India nominated him to the Rajya Sabha.

He describes the highlights of his tenure there. Both members of the legal profession and the lay reader will find the contents informative and useful. There are not many books in India that can serve as a useful textbook to the students and guides to the practising journalist. It is this lacuna that M.V. Kamath, one of the most prominent Indian Journalists, has tried to fill. This is a book on Indian journalism for Indian journalists, citing examples of Indian writers, Kamath quotes profusely from the writings of Indian editors to illustrate his ideas which considerably adds to the relevance of his work. On 12 June 1975, for the first time in independent India's history, the election of a prime minister was set aside by a high court judgment. The watershed case, Indira Gandhi v. Raj Narain, acted as the catalyst for the imposition of the Emergency. Based on detailed notes of the court proceedings, *The Case That Shook India* is both a significant legal and a historical document. The author, advocate Prashant Bhushan, provides a blow-by-blow account of the goings-on inside the courtroom as well as the manoeuvrings outside it, including threats, bribes and deceit. As the case goes to the Supreme Court, we see how a ruling government can misuse legislative power to save the PM's election. Through his forceful and gripping narrative, Bhushan vividly recreates the legal drama that decisively shaped India's political destiny. This book contains select quotations classified subjectwise under various chapters from his writings and speeches over six decades of his working life. The book introduces the man through his thoughts and ideas with the aim of inspiring readers, particularly the youth. Harish Salve failed his CA exam

twice. Mukul Rohatgi was unable to secure a place at the Law Faculty, Delhi University. Rohinton Nariman was trained to become a Parsi priest. Legal Eagles examines the lives and times of India's top seven lawyers, who fought some of the country's landmark courtroom battles. Tracing their journey from their childhood days to the present, the book highlights the important milestones of their careers, their victories and failures, their influences, and their work ethic and role models, demonstrating that the path to success is paved with determination, grit and challenges. Journalist Indu Bhan gives a ringside view of the most significant case handled by each of these lawyers, including the Vodafone tax case, Coalgate and the 2G spectrum controversy, among others. On the life and work of eminent Indian jurist and lawyer, Nani Ardeshir Palkhivala, b. 1920-. Commemoration volume to Nani Ardeshir Palkhivala, 1920-2002, an eminent Indian lawyer and diplomat; contributed articles. This Book Is A Public Tribute To Nani Oalkhivala On The Ocasion Of His 80Th Birthday. The Essays Cover A Wide Range Of Topics Within The Broad Themes Of Democracy, Human Rights And The Rule Of Law-Themes That Have Been Close To Nani`S Heart And Which Have Found Constant Reiteration In His Articles And Speeches Over The Years.

Asoca-often spelled Ashoka-was hailed as Ashoka the Great, the emperor who ruled most of the Indian Subcontinent and was pivotal in the spread of Buddhism from India to other parts of Asia in the third century BC. But his life as emperor was not always led by non-violence. History has it that he masterminded one of the biggest and deadliest wars ever fought, and it was the insurmountable grief he experienced at the sight of the people dying and dead on the battleground that made him turn to Buddhism and take a vow of ahimsa. Who was the man, and who was the king? What were his demons, and what gave him strength? This historical novel, drawn from research and portrayed with energy and complexity, transports the reader to the era of the Mauryan dynasty with atmospheric vividness and insight. Epic in scope and Shakespearean in drama, Asoca: A Sutra leaves the reader breathless with the full-bodied richness of Sealy's prose, his trademark whimsy and his imaginative modern reconstruction of that

enigmatic and brilliant ruler of the Indian subcontinent. Contributed articles. This book seeks to cover a cross-section of relevant issues pertaining to the legal regulation of Sports in the Indian context, against the developments in the global arena. On the life and works of Nani Ardeshir Palkhivala, 1920-2002, eminent Indian lawyer and diplomat. Eightieth birthday commemorative volume Lawyer par excellence, renowned public speaker, philanthropist and distinguished ambassador, Nani Ardeshir Palkhivala was in public life for over five decades. His post-budget speeches in Bombay since 1958 have drawn national attention. Considered to be one of the world's top ten lawyers, he was once described by former prime minister Morarji Desai as 'India's finest intellectual'. The profile at the beginning of this volume, penned by the editors, L.M. Singhvi, M.R. Pai and S. Ramakrishnan, brings together for the first time little known episodes from Nani Palkhivala's early years, as also instances of his legendary memory, kindness, humility and generosity. The selections that follow, from his best published writings and lectures, show to good effect his multi-faceted personality and understanding of Indian business and society. They are on subjects as diverse as religion, freedom and democracy, the Indian Constitution, judicial reforms, the Indian economy, socialism, and education. There are also pieces on historical figures and contemporaries who have strongly influenced him. Some of the correspondence that Palkhivala has had with K.R. Narayanan, Indira Gandhi, Sanjay Gandhi, V.P. Singh, Dr Manmohan Singh, Justice H.R. Khanna, Swami Ranganathananda and others has been included, along

with rare photographs from the Palkhivala family album. All these offer a warm and full portrait of an individual who has spent his life in pursuit of excellence. Candid, provocative and forceful, the pieces in this volume reflect a mind that possesses a remarkable moral and intellectual integrity and a rare clarity of vision. Speeches and lectures delivered by the author on various occasions; chiefly on the legal and political developments of India.
